CLASS DESCRIPTIONS

Tot JAMM: These classes give 2.5 yr. old - 4 year old students the freedom to express their creativity through dance. Students will learn the basics of tap and ballet technique and terminology using music, props and inventive exercises. Our staff provides a fun and loving atmosphere that sets the stage for future advancement into other JAMM Dance programs. Activities are designed to develop self esteem, being acclimated to a classroom setting and an awareness of others. Benefits to your child include increased motor/skill coordination, physical flexibility, social skills, such as following directions and learning physical concepts like energy and speed.

Hip Hop Tots: This class is a high-energy hip hop class for 2.5 yr. old's - 4! Students will learn fun hip hop moves using music, props and inventive exercises. Hip Hop Tots is run similarly to our Tot JAMM class and offers all the great benefits and opportunities listed above (see Tot JAMM description.)

Kidz JAMM B & A, Pre-Teen B & A: Anyone ages 6 and up can participate in these programs. Classes are structured by grade in school, then by level for the perfect fit your child to learn and excel. Each class will learn jazz and tap technique.

Girl Frenzy: Girl only hip-hop is offered to youth and teens. Come learn some of the hottest new hip-hop moves and music video dances! This is a mix of jazz funk and hip hop. Super fun! Girl power at its BEST!

Hip Hop Kidz & Boyz Hip Hop: A strong focus on breaking, popping and locking with some fun choreography.

Acro: A tumbling class designed for any dancer that would like to work on any tricks whether it be your ariel, back walkover, front walkover and more.

Pre-pointe & Pointe: The basic requirement to accomplish pointe work are the following:

- strong flexible feet ankles and legs - excellent alignment and core control - basic understanding of anatomy and ballet terminology
This class will review the concepts established to ensure you can reach the skills necessary to start beginning pointe classes in the Fall. At the conclusion of the 4 weeks, each student will receive a printed pointe assessment, evaluation and next steps to take home with them. Minimum requirements to attend class are two consecutive years of JAMM ballet training and female dancers need to be the age of 12+ by end of September 2019. Dancers who take this class are also required to take 2 ballet classes this Summer to keep up on technique.

Adult Tap: A night just for you! Join us for this really fun and upbeat adult tap class. This class is designed as a technique class in tap for all dance levels.

Adult/Alumni Contemporary: This class will work on connecting the mind and body through fluid dance movements. Come to this class to improve your contemporary skills, work on improv and learn combos.

Competition Classes (For Competition students or any student planning to audition for the 2019 Season)

Jazz 1 & 2: This class is designed to work on your jazz skills which include turns, leaps, flexibility, progressions, combos and more.

Contemporary 1 & 2: This class will work on connecting the mind and body through fluid dance movements. Come to this class to improve your contemporary skills, work on improv and learn combos.

Tap 1 & 2: This class is designed to improve on your tap skills, learn progressions across the floor and combos.

Ballet 1 & 2: Ballet is the foundation of all styles of dance. Benefits of ballet training include a solid foundation in ballet technique, understanding, ballet vocabulary and history of dance, growing artistry in performance and increased mastery and control of one's body.

Hip Hop 1 & 2: Hip hop is a fun upbeat class. Come learn new steps, improve your hip hop skills, learn combos and have fun!

Strength & Stretch 1 & 2: Strength and Stretch is so important for a dancer. Come improve your strength and increase your flexibility.

Musical Theater 2: This class recommends heels for dancers that have them, but heels are optional. Come learn some fun original Broadway pieces.
